

# DECONSTRUCTING DATA MANAGEMENT

## AN INSTRUCTIVE WEB SERIES FROM INFOLOCK

### Crafting a Successful DLP Program *A Holistic Approach*

June 27<sup>th</sup> 12 – 1 PM EDT

**SAVE MY SPOT**

Thanks for joining! Participants will receive a Starbucks gift card just for attending!

---

Buying a DLP solution is one small step towards improved data security, but organizations must build a comprehensive DLP program to experience the full value of their investment. Join us to discover how to unlock the value of enterprise DLP by addressing the following:

- Requirements gathering
- Clearly defining objectives and expectations
- Staffing your team
- Educating employees
- Managing DLP in-house vs. outsourcing to a dedicated Managed Services partner

---
